

SERVICE TECHNICIAN | APPRENTICE

Job Type: Full-time **Location:** Chepstow

Connect Equipment Chepstow is looking for the right driven individual and are considering all levels of service experience. Come join our growing team as we strive to serve a larger territory.

Position Summary:

Reporting to the Shop Foreman/Service Manager, as a Service Technician you will be an integral member Connect Equipment's Service team. As a Service Technician you will perform maintenance and equipment repair in a high quality and safe manner. Farm or other hands-on equipment experience is an asset.

Responsibilities:

- Perform diagnostics, maintenance and repairs on agricultural, CWP and turf equipment
- Review and explain any maintenance, repair, or other service concerns directly with service manager and/or customer
- Perform equipment inspections
- Adheres to safety rules and regulations at all times
- Accountable for time and materials used in performing assigned duties
- Other various duties and training as required

Experience & Skills:

- Competent to operate vehicles and equipment used for diagnostic purposes
- Ability to lift heavy parts/components (i.e. tires)
- Valid driver's license required; CDL (Commercial Driver's License) preferred
- Farm equipment and/or other equipment related experience is an asset
- Fork lift license preferred

Applicants must have a clean driving record and be able to work some Saturdays. We offer a competitive wage package including benefits and the opportunity for development.

Please send resume to: jobs@connectequipment.com or come to our Chepstow location.

All applications will be kept confidential.
